

Peter Baker & Son Co, Inc. is seeking a Projects Superintendent. The position is full time and salaried. Candidates should have a minimum of 5 years' experience in management of road paving operations.

Role and Responsibilities:

Including but not limited to:

- Interact with Estimator/Project Manager and owner to complete the various items of self-performed work as well as overseeing subcontracted work
- Work with Resident Engineers on various projects
- Oversee field personnel, daily/weekly schedules, and construction operations
- Coordinate crews and equipment to maximize efficiency
- Assist with project planning and layout
- Emphasize jobsite safety

Qualifications & Requirements:

- Minimum 5 years' experience overseeing projects with various subcontractors
- Must demonstrate strong verbal and written communication skills
- Must possess organizational and time management skills
- Attention to detail and ability to recognize discrepancies
- A person who can schedule multiple projects and subcontractors for various projects
- Ability to maintain flexible work hours
- Familiarity with DOT standards

We offer a comprehensive benefit package including paid vacation, holidays, medical insurance and 401(k). If you are interested in working for an industry leader, please send your resume and salary requirements to:
